Except as otherwise authorized by law, no person may opt out on behalf of any other person, persons, classes or sub-classes.

2. Method of Exercise. Each member of the Florida Settlement Class wishing to opt out of the Florida Settlement Class must individually sign and submit timely written notice to a Post Office Box designated by the Settlement Administrator. 2. Finding that the notice implemented pursuant to section II.D above (a) constitutes reasonable and the best practicable notice; (b) constitutes notice that is reasonably calculated, under the circumstances, to apprise members of the Florida Settlement Class of the pendency of this action, the terms of this settlement, the right to object to or exclude themselves from this settlement, and to appear at the hearing on final approval; (c) constitutes due, adequate and sufficient notice to all persons or entities entitled to receive such notice; and (d) meets the requirements of due process, the Florida Rules of Civil Procedure and any other applicable law or rules of the Court;

3. Directing that All Cases be dismissed with prejudice and, except as provided for herein, without costs;

4. Reserving for the Court exclusive jurisdiction over this settlement, including the administration, consummation and enforcement of this settlement;

5. Determining that there is no just reason for delay and directing that the final judgment shall be final and appealable;

6. Directing that, for a period of four years from the Effective Date of the Settlement, the Clerk of the Court shall maintain the record of those members of the Florida

Settlement Class who have timely excluded themselves from the Florida Settlement Class and that a certified copy of such records shall be provided to Microsoft at Microsoft's expense; and

7. Incorporating the release set forth in section III below and forever discharging Microsoft from All Claims.

H. Effect of Disapproval. If the Court for any reason (1) determines not to approve an amendment agreed to by the parties hereto to the existing Complaint; (2) determines not to approve this Settlement Agreement; (3) does not enter the Final Judgment substantially in the form described in section II.G above and Appendix E hereto; or (4) if the Court's approval is modified, reversed or set aside on appeal, then this Settlement Agreement terminates and becomes null and void except as otherwise provided herein.

I. Dismissal With Prejudice. Upon final approval of this settlement, Lead Counsel for the Florida Settlement Class and Microsoft shall join in seeking dismissal with prejudice of All Cases to the extent that the Court does not dismiss All Cases with prejudice in its Order of Approval and Final Judgment.

III.RELEASE

A. Release. Upon Final Approval, each member of the Florida Settlement Class hereby expressly and irrevocably waives and fully, finally and forever settles and releases all claims, demands, actions, suits and causes of action against Microsoft and/or its directors, officers, employees, attorneys, insurers or agents, whether known or unknown, asserted or unasserted, that any member of the Florida Settlement Class ever had, could have had, now has or hereafter can, shall or may have, relating in any way (1) to any conduct, act or omission which was or could have been alleged in *In re Florida Microsoft Antitrust Litigation* as the basis for any antitrust or unfair competition claims or (2) arising from the purchase, use and/or acquisition of a license for a Microsoft Operating System and/or Microsoft Application and arising under or related to any laws concerning or relating to (a) antitrust (including without limitation the Sherman Antitrust Act, 15 U.S.C. §§ 1, *et seq.*), (b) unfair competition, (c) unfair practices,

B. Waiver of Release Limitations. In addition to the provisions of section III.A above, each member of the Florida Settlement Class hereby expressly and irrevocably waives and fully, finally and forever settles and releases, upon Final Approval, any and all defenses, rights and benefits that said class member may have or that may be derived from the provisions of applicable law which, absent such waiver, may limit the extent or effect of the release contained in section III.A above.

IV. VOUCHERS

A. Consideration. As part of the consideration for the agreement to dismiss All Claims with prejudice, and for entry of the final judgment as provided for in the Settlement Agreement, on the Effective Date of the Settlement, Microsoft shall make available to all members of the Florida Settlement Class the vouchers described in this section in accordance with the procedures set forth below.

B. Face Value Amount. The Face Value Amount of this Settlement is \$202,845,329. This amount is based upon Microsoft's best estimate of the number of Category I, Category II and Category III software licenses purchased for use in Florida during the period November 16, 1995 to December 31, 2002.

C. Voucher Amounts. Upon presentation of a proof of claim as set forth in section V.A below, each member of the Florida Settlement Class who indirectly purchased a Category I, Category II or Category III software license in the United States for use in Florida during the period November 16, 1995 to December 31, 2002 may obtain a voucher as follows:

1. Members of the Florida Settlement Class who indirectly purchased a license for a Category I product in the United States for use in Florida during the period November 16, 1995 to December 31, 2002 will receive a voucher worth \$12.00 for each such license.
2. Members of the Florida Settlement Class who indirectly purchased a license for a Category II product in the United States for use in Florida during the period November 16, 1995 to December 31, 2002 will receive a voucher worth \$5.00 for each such license.
3. Members of the Florida Settlement Class who indirectly purchased a license for a Category III product in the United States for use in Florida during the period November 16, 1995 to December 31, 2002 will receive a voucher worth \$5.00 for each such license.

D. Voucher Restrictions. The vouchers may be aggregated by any claimant possessing a number of any such vouchers. The vouchers are not redeemable for cash. Nor may the vouchers be presented directly to a retailer or computer manufacturer upon the purchase of the hardware or software described in section IV.F below. The vouchers issued to members of the Florida Settlement Class shall expire at the end of the Settlement Period. Vouchers will be printed with security features, will be serialized and, if possible, will be printed with the name of the voucher recipient on the face of the voucher.

E. Transfer of Claims. A claimant may transfer vouchers having a total value of up to \$650.00. Each voucher may be transferred only once. To transfer a voucher, the claimant must endorse the voucher to a named transferee. A transferee may redeem only up to \$10,000 in

transferred vouchers. When transferees submit vouchers for redemption, they must declare under penalty of perjury that they intend to use the products purchased with the transferred vouchers for their own personal or business use, and that they will not directly, indirectly or in concert with others redeem more than \$10,000 of transferred vouchers. Neither claims nor vouchers are transferable under any other circumstances.

F. Redemption. Claimants may present the vouchers to the Settlement Administrator, together with proof of purchase (described in section V.B. below) of any the following hardware and software purchased after the date of this Settlement Agreement, to receive up to the face value of the vouchers. Claimants may submit qualifying purchases made at different times, but may only make one submission for redemption to the Settlement Administrator. Valid vouchers will be accepted by the Settlement Administrator if they are (1) postmarked on or before the last day of the Settlement Period, and (2) received by the Settlement Administrator within 14 days of the last day of the Settlement Period.

1. Hardware. Claimants may redeem the vouchers from the Settlement Administrator during the Settlement Period by presenting proof of purchase after the date of this Settlement Agreement of any desktop, laptop, and tablet computers for any operating system platform (“Qualifying Hardware”). The definition of Qualifying Hardware includes the following peripheral devices: printers, scanners, monitors, keyboards and pointing devices (e.g., mouse, trackball, etc.). A member of the Florida Settlement Class whose total claim is less than \$950 may use his or her vouchers to purchase such peripheral devices regardless of whether or not the class member also purchases a computer. All other members of the Florida Settlement Class may use vouchers to purchase such peripheral devices only in connection with the purchase of a computer. The definition of Qualifying Hardware excludes servers, PDAs or other hand-held devices, peripherals other than those expressly included above (including, but not limited to, cables, speakers or other external devices), and components (including, but not limited to, internal or external storage units, internal or external CD-ROM, DVD or other read/write

devices, zip drives, tape backup or storage units, memory, video or audio cards, motherboards or CPUs).

2. Software. Claimants may redeem the vouchers from the Settlement Administrator during the Settlement Period by presenting proof of purchase after the date of this Settlement Agreement of any “client” software title, including any software title not published by Microsoft, that is (a) available for sale to the general public in a standard form, (b) capable of running on any Qualifying Hardware described in section IV.F.1 above, and (c) is not software designed to operate on a server (“Qualifying Software”). The definition of Qualifying Software excludes custom software, software that operates on CPUs not used in Qualifying Hardware and consulting services.

V.PROCESS FOR CLAIMING AND REDEEMING VOUCHERS

A. Step 1. Members of the Florida Settlement Class may claim the vouchers described in section IV.C above by mailing a completed Claim Form, together with proof of qualification, to the Settlement Administrator prior to the close of the Claim Period. Completion of this first step (submission of a claim form and proof of qualification) shall entitle the claimant to receive only a voucher and nothing more.

1. Claim Forms. The mailed and emailed notice provided pursuant to section II.D above will include, respectively, a Claim Form or a link to an electronic copy of the Claim Form to be used by members of the Florida Settlement Class. In addition, an electronic copy of the Claim Form will be available on the Internet Web site described in section II.D.5 above, which will also contain information on how to make claims. Members of the Florida Settlement Class may also obtain Claim Forms by calling a toll free “800” telephone number established by the Settlement Administrator. The Claim Form will contain a stern warning regarding the possibility of audit and the penalties for the submission of false information in connection with claiming and/or redeeming vouchers. All Claim Forms will require a sworn declaration under penalty of perjury that sets forth the claimant’s name, street address, telephone number, either a

photocopy of a valid driver's license or a social security number or a taxpayer identification number, email address (optional), the quantity purchased of each type of Microsoft Application and/or Microsoft Operating System at issue in this litigation, the year in which each purchase was made, and the identity of the seller. In addition, claims submitted by businesses must include a sworn declaration under penalty of perjury that the software covered by the claim was used in Florida.

2. Proof of Qualification (Claims For Up To Five Licenses). A member of the Florida Settlement Class may submit claims for up to five (5) licenses supported only by the sworn declaration under penalty of perjury described in section V.A.1 above. The Settlement Administrator shall approve such claims without requiring further documentation unless there is reasonable cause to suspect that the claim is fraudulent. Any additional license claims will require documentation. The additional documented claims may be combined with the five license claims that are supported only by a sworn declaration.

3. Proof of Qualification (Customers Other Than Volume Licensing Customers). A member of the Florida Settlement Class who submits claims for additional licenses (other than volume licenses) beyond the five license claims described in section V.A.2 above must support such claims by providing, prior to the close of the Claim Period, for each: (1) a sworn declaration under penalty of perjury as described in section V.A.1 above; and (2) **one** of the following:

- a. the Product Identification ("PID") number; or
- b. printed information provided with the mailed notice pursuant to section II.D.3 above.

The Settlement Administrator shall approve such claims without requiring further documentation unless there is reasonable cause to suspect that the claim is fraudulent.

4. Proof of Qualification (Volume Licensing Customers). A member of the Florida Settlement Class who licensed a Microsoft Operating System and/or Microsoft Application

through Microsoft's volume licensing programs (including Open, Select and Enterprise Agreement customers) must support such claims by providing, prior to the close of the Claim Period, for each: (1) a sworn declaration under penalty of perjury as described in section V.A.1 above; and (2) **one** of the following:

- a. the claimant's license agreement;
- b. other proof of licensing (license confirmations, Enterprise Agreement enrollment forms, interim true-up orders, eOpen documentation, or MVLS documentation); or
- c. printed information obtained from the volume licensing program data in Microsoft's eOpen and Microsoft Volume Licensing Services databases, as set forth in section V.A.5 below.

The Settlement Administrator shall approve such claims without requiring further documentation unless there is reasonable cause to suspect that the claim is fraudulent.

5. Access to Data. Microsoft will provide all members of the Florida Settlement Class who obtained their licenses through a volume licensing program (including the Open, Select, and Enterprise Agreement programs) ("Volume Licensees") with simple, streamlined access from the Internet to volume licensing program data in Microsoft's eOpen and Microsoft's Volume Licensing Services database, and shall provide simple access instructions in the Claim Form so that those members of the Florida Settlement Class may easily print their license information and attach it to their Claim Forms. Microsoft will also provide members of the Florida Settlement Class who are Volume Licensees with a toll free "800" telephone number to handle inquiries (free of charge) concerning how to access Microsoft's volume licensing program data. Members of the Florida Settlement Class who are Volume Licensees will be able to call the toll free telephone number to obtain their password, authorization numbers, license numbers and any other information necessary to access such data.

6. Requesting Microsoft to Search End User Data. If a member of the Florida Settlement Class who is a Volume Licensee is unable to attach the types of

documentation that will automatically authorize the full amount of its claims (as set forth in sections V.A.4 above) after making reasonable efforts to do so, it may check a box on its Claim Form that will require Microsoft (with the active supervision of the Settlement Administrator) to search Microsoft's product registration and volume licensing program data for the necessary license information to further document the claim. A representative of Lead Counsel for the Florida Settlement Class may, at its option, monitor the search process. Microsoft shall provide the Settlement Administrator with copies of the necessary portions of Microsoft's product registration and volume licensing program data and all assistance necessary to facilitate access to the claimant's license information. The Settlement Administrator shall authorize claims documented by the claimant as further supplemented by the license records found in Microsoft's product registration and volume licensing program data.

7. Other Written Evidence. If a member of the Florida Settlement Class is unable to attach the types of documentation that will automatically authorize the full amount of its claims (as set forth in sections V.A.3, V.A.4 and V.A.5 above), it may submit other credible written evidence (along with a sworn declaration under penalty of perjury as described in section V.A.1 above) to prove its claim. The parties will jointly select one or more Special Masters to review such additional written evidence and jointly meet with the Special Master(s) to explain the purpose of the clear and convincing evidence standard that is applicable to such submissions. The Special Master(s) may approve the claim based on the additional written evidence if it is clear and convincing. If a claimant only has a sworn declaration or the full amount of a claimant's claim is not approved based on the submitted written documentation, the claimant must appear at a hearing before the Special Master(s) if it wishes to attempt to meet the standard of clear and convincing evidence. The Special Master(s) shall hold hearings throughout the State of Florida so that no claimant must travel more than 125 miles to appear. Lead Counsel for the Florida Settlement Class and Microsoft shall have the right to present evidence and contest claims at such hearings. The ruling of the Special Master(s) may be appealed to the Court.

8. Approval. The Settlement Administrator will promptly review each claim and make a determination of the number and amount of vouchers to be issued to each claimant. The Settlement Administrator shall mail the voucher(s) for each claimant whose claim is approved to the address provided by the claimant. The Settlement Administrator shall not be responsible for insuring that the claimant actually receives the voucher.

B. Step 2. To redeem any voucher for up to its face value, a claimant must submit the voucher, together with satisfactory proof of purchase of Qualifying Hardware and/or Qualifying Software (as defined in section IV.F above) after the date of preliminary approval of this Settlement Agreement, to the Settlement Administrator. Vouchers and proofs of purchase must be postmarked on or before the last day of the Settlement Period and must be received by the Settlement Administrator within 14 days of the last day of the Settlement Period. Claimants should retain copies of their vouchers and all other documentation submitted to the Settlement Administrator as proof of purchase of Qualifying Hardware and/or Qualifying Software.

1. Proof of Purchase. The proof of purchase must include (a) a photocopy of a receipt for the purchase of Qualifying Hardware and/or Qualifying Software, and (b) a box top or other original packing material with either a U.P.C. bar code or a proof-of-purchase mark on it. The claimant must have purchased the Qualifying Hardware and/or Qualifying Software after the date of this Settlement Agreement. If the amount of the vouchers submitted with the proof(s) of purchase exceeds the purchase price of the Qualifying Hardware and/or Qualifying Software, the Settlement Administrator will not redeem the vouchers for that excess amount.

2. No Transfer. Subject to the provisions of section IV.E above, once issued, vouchers are not transferable to, and may not be redeemed by, any person or entity other than the member of the Florida Settlement Class to whom such vouchers were issued.

3. Approval. Vouchers must be postmarked on or before the last day of the Settlement Period and received by the Settlement Administrator, together with all necessary supporting documentation, within 14 days of the last day of the Settlement Period. If the

Settlement Administrator approves the submission, the Settlement Administrator shall, within 45 days of receipt of the voucher(s) and supporting documentation, mail to the claimant a check for the appropriate amount to the address provided by the claimant. The Settlement Administrator is not responsible for insuring that the claimant actually receives the check.

C. Combined Claims. A member of the Florida Settlement Class may, at his or her option, submit a Claim Form and proof of qualification (as described in section V.A above) and proof of purchase (as described in section V.B above) at the same time. If all of the submitted documentation is satisfactory, and the settlement is approved and becomes final, the Settlement Administrator shall issue a check to the member of the Florida Settlement Class for the appropriate amount. However, it is possible that (a) some or all of the class member's submitted documentation may not be approved by the Settlement Administrator and that the class member's claims may not be approved, or (b) the settlement may not be approved or become final.

D. Settlement Claims Administration

1. The Settlement Administrator shall review the Claim Forms and proofs of purchase described in sections V.A, V.B, and V.C above to determine whether they contain the required documentation and whether the claims are duplicative or otherwise invalid, and shall reject any invalid claims unless Microsoft otherwise directs. Lead Counsel for the Florida Settlement Class and Microsoft may work with the Settlement Administrator to verify the validity of claims through Microsoft's volume licensing program data or other reliable information. If Lead Counsel for the Florida Settlement Class or Microsoft dispute any claim, the Settlement Administrator may request additional documentation from the claimant.

2. In the event a Claim Form or proof of purchase described in sections V.A, V.B, or V.C. above is rejected by the Settlement Administrator or recommended for rejection by Microsoft, the Settlement Administrator shall send mailed written notice to the claimant at the address included on the Claim Form, with copies to Lead Counsel for the Florida Settlement Class and Microsoft.

3. The decision concerning the validity of any particular claim shall be made by the Settlement Administrator, subject to appeal by the claimant, Lead Counsel for the Florida Settlement Class or Microsoft for the Court's review and judgment, which is final for accepted claims. Before appealing a decision of the Settlement Administrator to the Court, counsel for the parties shall attempt to resolve informally any disputes over the Settlement Administrator's decision. To the extent such appeals to the Court must be made, the parties will endeavor to make all available appeals at once, to avoid, to the extent practicable, burdening the Court with multiple appeals.

4. Microsoft will advise its sales team and PSS team that all inquiries from members of the Florida Settlement Class regarding claims procedures shall be redirected to the Settlement Administrator. Microsoft shall not attempt to induce members of the Florida Settlement Class to opt out of this Settlement or to give up their claims. Information on Claim Forms will not be made available to Microsoft or any other entity for any purpose other than administration of the claims process under this Settlement Agreement.

E. Costs of Settlement Claims Administration. The Settlement Administrator shall send Microsoft periodic invoices for the costs of claims administration under this Settlement Agreement. Except as otherwise provided in this section V.E, Microsoft shall pay such costs within 30 days of invoice. If Microsoft believes the amount charged on any invoice is excessive, Microsoft may submit its objections to the Court for resolution and need not pay the disputed amount until the Court has resolved the objections.

VI.VI. CY PRES

In the event that the total amount of vouchers issued pursuant to sections V.A and V.C above does not exhaust the Face Value Amount, the remaining portion of the Face Value Amount shall be used as follows.

A. Voucher Totals. Within 30 days of the close of the Claim Period, the Settlement Administrator shall identify the total value of the vouchers issued pursuant to sections V.A and

V.C above to members of the Florida Settlement Class. This amount shall be deducted from the Face Value Amount. Fifty percent of the difference between the Face Value Amount and the total amount of issued vouchers shall be designated as the “Cy Pres Amount.” The other fifty percent (50%) of the difference between the Face Value Amount and the total amount of issued vouchers shall be retained by Microsoft.

B. Cy Pres. Microsoft agrees to provide the Cy Pres Amount as a form of Cy Pres remedy. One half of the Cy Pres Amount shall be in the form of General Purpose Vouchers, and one half of the Cy Press Amount shall be in the form of Software Vouchers.

C. Distribution. The Settlement Administrator will identify, no later than three months after to the close of the Claim Period, those School Districts in Florida that have Eligible Schools under section I.L above. The Settlement Administrator shall notify the School Districts having Eligible Schools that they may be entitled to receive General Purpose Vouchers and Software Vouchers according to the terms of this settlement. School Districts having Eligible Schools that complete, within 120 days after receipt, an application (to be created by the Settlement Administrator) certifying the status of their Eligible Schools and specifying the number of students those Eligible Schools serve shall be eligible to receive a pro-rata share (based on the total number of students attending certified Eligible Schools) of the Cy Pres Amount in General Purpose Vouchers and Software Vouchers. The Settlement Administrator shall review the applications and certify the schools as Eligible Schools pursuant to section I.L above. The Settlement Administrator shall distribute to the School Districts having certified Eligible Schools the General Purpose Vouchers and Software Vouchers no later than 365 days after the end of the Claim Period. All General Purpose Vouchers and Software Vouchers shall expire at the end of the Settlement Period.

D. General Purpose Vouchers. General Purpose Vouchers may be redeemed for any Qualifying Hardware (as defined in section IV.F.1 above), any non-custom software used with the hardware acquired through the use of the General Purpose Vouchers, or “Professional

Development Services” (as defined in section I.W above) or “IT Support Services” (as defined in section I.T above) used in connection with the hardware or software acquired through use of the General Purpose Vouchers and/or Software Vouchers. Eligible Schools may also use General Purpose Vouchers to purchase: (1) equipment needed for networking and infrastructure (e.g., routers, servers, wireless network cards, or wireless access points); (2) MSNTV units and access for students’ homes or comparable technologies in the market; (3) certification training for software and networking; (4) tablet computers or comparable technology that may become available; and (5) non-custom assistive technology devices and non-custom software designed for use by students with special needs.

E. Software Vouchers. Software Vouchers may be redeemed during the Cy Pres Period for current or future Microsoft operating system software (e.g., Microsoft Windows), word processing software (e.g., Microsoft Word), spreadsheet software (e.g., Microsoft Excel), presentation software (e.g., Microsoft Powerpoint), desktop relational database software oriented towards single users and typically residing on a standard personal computer (e.g., Microsoft Access), web-authoring software (e.g., Microsoft Front Page), productivity suite software (e.g., Microsoft Office or Microsoft Works), and encyclopedia software (e.g., Microsoft Encarta) for either personal computers or Macintosh computers, and server software including client access licenses. The Software Vouchers may also be redeemed for non-custom software titles produced by other companies that have similar functionality and compete with any of the above identified Microsoft software titles and can be used with Qualifying Hardware. The Software Vouchers may also be used to cover the cost of the software described in this section VI.D when such software is bundled with a computer purchased with the General Purpose Vouchers. In such circumstances, Software Vouchers may be applied to the bundled operating system software included in the hardware purchase price in an amount equal to the standard academic upgrade price for the operating system software. When any of the other software titles described in this section are bundled with a computer purchased with the General Purpose Vouchers, the Software

Vouchers may be applied in an amount no greater than the standard academic price or, if an academic price is not available, in an amount not to exceed the normal or standard price established by the manufacturer for such software. In addition, Eligible Schools will have reasonable access to the Microsoft Help Desk for assistance in using Microsoft software obtained using the Software Vouchers, subject to parameters on the scope of such access that will be agreed on by the parties and consistent with the level of support given to retail purchasers. However, if such software was pre-installed, then the party responsible for providing support for the product will continue to be responsible.

F. Vendor Invoices And Certification for Software. The General Purpose Vouchers and Software Vouchers made available under this cy pres program may be applied to the acquisition of software (including software bundled with hardware acquired with the General Purpose Vouchers as described in section VI.D above) only if the vendor of such software provides an invoice with a separate price for software that can be purchased with General Purpose Vouchers and/or Software Vouchers, and certifies that the price charged for such software is no greater than its standard academic price or, if an academic price is not available, is the normal or standard price charged for such software. Lead Counsel for the Florida Settlement Class, counsel for Microsoft, and the Settlement Administrator shall have the right to verify by audit or otherwise such certifications and the use of the General Purpose Vouchers and Software Vouchers under this program generally.

G. Non-Displacement of Other Charitable and Educational Activities. Microsoft undertakes its obligations under this Settlement Agreement in addition to its existing corporate charitable giving. Microsoft will not reduce below fiscal year 2001 levels its national charitable giving of cash for a period of 5 years after this Settlement is approved because of the Settlement in this case. This provision does not relate to Microsoft's program of matching employees' gifts. If Microsoft reduces its national charitable giving below fiscal year 2001 levels in any year covered by this provision, it will provide Lead Counsel for the Florida Settlement Class with a

sworn declaration by an officer of Microsoft that Microsoft did not discriminate against Florida with respect to any such reduction and that the reduction was not made because of the Settlement in this case.

VII.VII. OTHER PROVISIONS

- A. No Admission. By entering into this Settlement Agreement, Microsoft does not admit any liability or wrongdoing or the truth of any of the claims or allegations in *In re Florida Microsoft Antitrust Litigation*. To the contrary, Microsoft specifically denies each and every one of the allegations of unlawful conduct and damages in All Cases. It is expressly understood and agreed that this Settlement Agreement is being entered into solely for the purpose of amicably resolving All Claims between Microsoft and the Florida Settlement Class. That amount is to be paid within the later of 30 days of Final Approval or the Court's award of attorneys' fees. Microsoft and Counsel for the Florida Settlement Class represent that they have not had any discussions regarding attorneys' fees other than discussing this section and will commence discussions if and when the Court grants the preliminary approval contemplated by section II.B above.
- C. Binding Effect. This Settlement Agreement shall be binding upon, and inure to the benefit of, each member of the Florida Settlement Class, Microsoft, and their respective successors, assigns and subsidiaries.

D. Choice of Law. This Settlement Agreement shall be governed by and interpreted according to the substantive laws of the State of Florida without regard to its choice of law or conflict of laws principles.

E. Discovery Materials.

1. All discovery materials and information (including but not limited to documents; responses to interrogatories, document requests, subpoenas or other oral or written requests; transcripts (including but not limited to deposition transcripts) of any kind and in any medium; privilege logs; and all data furnished or stored by electronic means (including but not limited to CDs, computer files, emails and attachments and tape storage units)) produced or provided by any of the parties or non-parties either before, on or after the date of this Settlement Agreement, whether produced or provided informally or pursuant to discovery requests, shall be governed by all Confidentiality/Protective Orders in force as of the date of this Settlement Agreement or as modified with the consent of Lead Counsel for the Florida Settlement Class and Microsoft.

2. In addition, anything which incorporates, includes, references or quotes any discovery materials or information produced by, provided by, discovered of or obtained in discovery relating to Microsoft, or its current or former directors, officers, employees, attorneys, insurers or agents (including but not limited to materials or information produced by non-parties, expert work product and attorney work product) shall be returned to Microsoft upon its request and at its expense, or destroyed in a manner acceptable to Microsoft.

3. Counsel for the Florida Settlement Class shall also cause each and every person to whom they have provided such materials (including but not limited to third parties such as experts and consultants) to return the materials to Microsoft or destroy such materials in a manner acceptable to Microsoft.

4. Notwithstanding the above, Counsel for the Florida Settlement Class may retain, subject to all applicable confidentiality orders, one file copy each of any pleadings, motions, briefs or affidavits that have been filed with the Court or that pertain to related Microsoft litigation pending in other courts that are properly in their possession.

F. Execution in Counterparts. The signatories to this Settlement Agreement may execute this Settlement Agreement in counterparts, and the execution of counterparts shall have the same effect as if all counsel had signed the same instrument.
